

THE BISHOP'S SEMINARIAN FUND

Southeast Michigan Synod, ELCA
8115 E Jefferson
Detroit, MI 48214

A Note to our Congregations

On Mothers' Day, or a Sunday of your choosing, congregations of the Southeast Michigan Synod are invited to collect a once-a-year offering to help support seminarians of our synod who are currently studying in ELCA seminaries.

Seminary education costs keep rising, and many of our candidates are already carrying undergraduate student loans.

The purpose of this Fund is to:

- Help our seminarians bear the burden of seminary education costs.
- Build bridges between our congregations and our seminarians.
- Break the chains of financial stress that limit the options of those called to serve.
- Bring hope for the next generation of church leaders.

The Bishop's Seminarian Fund will be used to provide scholarship assistance and encouragement to those called to serve as professional leaders in the church.

May the peace of the Risen Lord be with you!

Bishop Don Kreiss
