Up until the pandemic isolated us, the professional leaders of the Central Macomb Conference had been meeting on the second Thursday of each month from 12:00 noon to 2:00 pm. The meeting site rotated among the congregational buildings of the participants, with the host providing lunch for those gathered. Since March, our pastors and leaders gathered sporadically over Zoom to stay connected. 6 of our congregations have joined together to teach online Confirmation which has been a blast!

We continue to remain excited to witness where God is calling us!

Respectfully submitted, Rev. Jamey Authier & Rev. Dave Parker, Co-Deans
